THIS PICTURE TAKEN FROM WILLIS POSITION IN MARCH 1965.

H 1965.

This photograph was taken from Willis' position in March of 1965. You will note that the Stemmons sign has been removed entirely from its' original position. The change was made much earlier than March, 1965, however. Look at the signs and you will see that this is the movement that Hudson was describing in his testimony of July 22, 1964, when he said: (V5-p562) "Now, they have moved some of those signs. They have moved that R. L. Thornton Freeway sign and put up a Stemmons sign."
